Board Meeting

Our March meeting for Cielo Dorado Fly-in Estates is on Wednesday, March 11, 2009 at the West Regional Command Center, at 6:00 pm.

Board news

The new board is working to bring information to the homeowners each month. Each chair is getting familiar with the job he/she has been asked to do for the subdivision. The chair of each committee would like to have volunteers that could help, so if you are so inclined please let the chair know. There is a lot to do each month and if there is help the chair will be grateful.

There are chair positions open for paved surfaces and vector control. The board would like those positions filled soon.

Please do your part, sign up for a committee, and call one of the board members and let them know.

President Steve's Report

Steve Crenshaw has three projects he is planning to concentrate on this year. They are:

1. To organize the minutes and records and the secure storage for these materials.
2. Replace the electric panel in the well house.
3. Work with the La Union Fire Chief on building an Emergency entrance to our subdivision at the northwest ditch.

*****Also, please be aware of strangers in our neighborhood, and if you see suspicious activity please call the Dona Ana Sherrifs office and report it.

Time to spring clean

It is time to get outside and clean up the winter debris and make our yards look nice for spring. If you young people would like to earn extra money by doing yard work, dog/baby sitting, call Janna at 874-9182 and I will put an ad in the newsletter for you.
