## **Fun places to visit**

If you find yourself flying in the Colorado Springs, Colorado area, stop and have a meal at Solo's Restaurant. The owner Steve Kanatzar turned a Boeing KC-97 into a great place to grab a bite or eat a steak. Everywhere you look there are parts of the KC-97 as well as models of other planes hanging from the ceiling? You can climb into the pilot's seat and pretend to fly around the world. For more information, visit [www.solosrestaurant.com](http://www.solosrestaurant.com) or call 719 570-7656.
