

Welcome to Mosquito Squad, your locally owned and operated premier outdoor pest control company. We want to help you take back your outdoor living area without the nuisance of bugs and bites! We eliminate your outdoor general pests on property with our patented barrier treatment provided on a 21 day schedule for maximum results, backed by our 100% satisfaction guarantee.

You can expect up to an 85% decrease in your mosquito activity, control & elimination of most outdoor general pests- fleas, ticks, spiders, scorpions, ants, centipedes, etc. Our technicians treat the entire perimeter of your home and property, all foliage, decks, areas around doors and garages. Each technician is licensed and trained with identifying areas where mosquitoes can breed. With our treatments taking care of the pests on the outside it can also stop the need of an indoor pest control. Treatments are kid & pet friendly, after each treatment we ask for a 30 minute dry time then all activities can be resumed. For your pets, this service will help protect from fleas and ticks.

We do have an All-Natural product that can be used

We offer other services as well, no more need of having multiple companies on property or in your home-

*Fly control program

*Rodent control (outdoors only)

*Gnat control program

*Weed control

*Scorpion control program

*Preventative Insecticide Granular

Cielo Dorado Estates Homeowners save an additional \$500 off our seasonal service (March-November)
